SECTION 1

Your Insurance Agreement

The Company is pleased to provide the insurance described in this policy given that your premiums are successfully paid on time and subject to the terms and conditions in this policy. The Company provides coverage to you for the Pet described on the policy declarations page for the Actual Cost of Veterinary Treatment for any eligible Accidental Injury suffered by your Pet unless excluded by this policy, after the application of your Co-Insurance, minus your Deductible, up to the Annual limit of your policy.

Policy Benefits in Detail

A. POLICY DESCRIPTION:

Annual Policy Limit: \$10,000
Co-Insurance (Us/You): 90%/10%
Annual Deductible: \$250

B. WHAT IS COVERED:

1. This Policy only provides coverage for the treatment of Accidental Injury.
2. An Accidental Injury must result from an unforeseen cause beyond the control of the policyholder.
3. An Accidental Injury must be something which is capable of being assigned to a particular date, and which is in the popular and ordinary sense an accident.
4. Undiagnosed injuries are not eligible for coverage until an affirmative diagnosis has been made of an Accidental Injury.
5. Coverage for Traumatic Dental Fractures: Endodontic treatment for canine and carnassial teeth and extractions for all teeth due to traumatic dental fractures and other oral traumas are covered so long as they are not caused by repetitive inappropriate chewing behavior that presented signs or symptoms prior to the Policy Effective Date or the expiration of any Waiting Period.

C. WAITING PERIODS:

1. This Policy has a three day Waiting Period from the Policy Effective Date before coverage is available for eligible Accidental Injuries.
2. Once met, these Waiting Periods are waived for continuous, uninterrupted policy renewals, including, at our discretion, uninterrupted policy renewals from other pet insurance providers.

SECTION 2

SECTION 3

This section of general conditions includes information about your premium and where you can take your Pet for treatment.

General Conditions of Coverage

- A.** Your Pet's premium is payable as described on your policy declarations page. This policy will continue until canceled and will renew automatically every year as long as your premium payments are current. If premiums are unpaid, the Company may cancel this policy by sending a notice of cancellation to you at your last known address at least 30 days before the effective date of cancellation. If you fail to make a premium payment before the cancellation date the Company will cancel your policy back to the date to which your premiums were pre-paid.
- B.** If the policy is cancelled for non-payment of premiums, we may, at our option, reinstate the policy if we receive the full past due premium, along with a written or verbal request for reinstatement within 15 days of the effective date of cancellation.
- C.** The successful payment of your premiums constitutes your acceptance of all terms and conditions contained in this policy.
- D.** You must protect your Pet from aggravation or recurrence of any Accidental Injury after it occurs.
- E.** All of your Pet's treatments must be provided by either a Veterinarian with the necessary training and experience, or staff under a Veterinarian's direct supervision.
- F.** Coverage for treatments may be provided under this policy only while the Pet is in the United States of America, Canada, or any region under US government control, such as territories or military installations/bases in foreign countries.
- G.** No coverage is provided for any treatment costs or losses incurred during times your policy is not in force.
- H.** This policy is not transferable to other Pets.
- I.** You may cancel your policy by notifying us in writing via mail, fax, or email. Any unearned collected premium will be refunded pro rata.
- J.** You can cancel your policy for any reason within 30 days of the Policy Effective Date and the Company will refund 100% of any premium paid as long as no claims have been paid. This will void the policy from the beginning, and any pending or not yet submitted claims will be denied.
- K.** Insurance fraud unfairly increases premiums for all policyholders. If any policyholder provides false, misleading, and/or dishonest information, we may not pay the claim, may void that policy, and may be required by law to report it to governmental authorities.

L. You must be the owner and in possession of the insured Pet. If you transfer ownership of the Pet to a different owner to care for the Pet, we are happy to arrange for continued coverage if we are contacted within 30 days from the date ownership transfers.

M. We will not make payments for claims if you are entitled to indemnity under any other insurance, except for:

1. Any additional sum that is payable over and above such other insurance; or
2. Any contribution that we are obliged to make by law.

N. All parties may voluntarily agree to resolve any claim or dispute that arises from or related to this policy exclusively and finally by non-binding arbitration. Any such arbitration will solely involve you and the Company, the direct parties to this policy, and will be conducted by a single arbitrator appointed by the American Arbitration Association or the International Dispute Resolution Procedures, as applicable. Any arbitration proceedings will be held at a mutually agreeable location within your state, or other jurisdiction of residence, provided that all parties may also attend the arbitration via telephone, video teleconference, or other similar means. Any award rendered by the arbitrator will be final and non-binding on all parties. The costs of arbitration, including all reasonable filing fees and arbitrator fees, shall be shared equally by the parties. Other expenses of arbitration, including, but not limited to attorney fees and costs, will be borne by the party incurring those expenses.

O. Severability: If at any time this policy's provisions are in conflict with the applicable laws, rules, and/or regulations of the state or other jurisdiction of residence in which this policy is issued, the provisions will be reformed and construed to be valid, legal, and enforceable to the maximum extent permitted by such applicable laws, rules, and/or regulations to effect the original intent of the parties as closely as possible.

P. Entire contract: This policy, the policy declarations page, and any attached riders or endorsement(s) contain all the agreements between you and the Company and supersede any prior agreements or understandings between us.

SECTION 4

We provide you with an easy claims submission process. Once you complete and submit your claim form, a copy of the invoice, and proof of payment, it is quickly processed by one of our skilled claims processors. All of our claims processors have experience working in veterinary clinics, and strive to provide you and your Pet best-in-class service. It's our goal to reimburse you or your Veterinarian as quickly as possible.

The Claims Process

- A.** You must submit a complete claim form and supporting paid invoice(s) within 180 days of the treatment date. For the fastest and easiest claim filing experience, please log into your Customer Account at www.PetsBest.com/customerportal and use our electronic claims upload process to submit your documents. Alternately, you can download a personalized claim form from the Customer Account, or you can contact our Customer Care center at 877-738-7237 and we will mail, email, or fax one to you.
- B.** You must cooperate with us in the investigation or settlement of any claim.
- C.** We may require complete medical history/records associated with your Pet to process your claim.
 - 1.** At our request, you agree to provide us with all of your Pet's medical history/records.
 - 2.** You authorize us, at the time of enrollment and any time after to contact any and all veterinary clinics or hospitals to obtain all available medical records that exist for your Pet.
 - 3.** You authorize any and all veterinary clinics or hospitals to release to us all medical records that exist for your Pet.

If you cannot (or refuse) to disclose a complete medical history for your Pet when requested, we may deny your claim(s).

- D.** You are financially responsible to your Veterinarian for the payment of all fees and costs. You may have your claims paid directly to the treating Veterinarian if an arrangement to do so exists between us and the treating Veterinarian. Please call us for details.
- E.** We will not guarantee on the phone if we cover a claim.

F. Proration of costs will occur if the invoiced items are applicable to both covered and non-covered items. Unless a cost breakdown is provided on the invoice, we will prorate the invoice items evenly among the covered and non-covered items.

G. If you disagree with the coverage provided on any claim, you may request a review of the decision using our voluntary appeals process. If you believe we wrongly affirmed denial of your claim through this appeals process, you can request further review by an independent third-party Veterinarian (ITPV) we've selected. We select these Veterinarians solely on their ability to decide on issues of medical nuance and have no other relationship or affiliation with us. The ITPV's decision will be final and binding on us. Disagreements regarding direct policy exclusions, timing of coverage, and policy wording interpretations are not eligible for ITPV review.

H. If we pay a claim for any Accidental Injury that is not eligible under the policy terms and conditions, the payment we made does not waive our right to apply the terms and conditions of this policy appropriately to any other submitted claims.

- C.** Any amount that exceeds your Annual Policy Limit \$10,000

Definitions

The words below are used throughout this policy and have the following definitions:

- A. ACCIDENTAL INJURY ("INJURY"):** Means an unforeseen, unexpected event that results in physical injury to your Pet(s).

- D. ANNUAL:** For the purposes of this Policy, all Annual Policy Limits and Deductibles are calculated by adding 12 months to your Policy Effective Date, thereby calculating your Policy Renewal Date which is shown on your declarations page. Your policy then utilizes these limits on a year to year basis using the period between the Policy Effective Date and the Policy Renewal Date, or from one Policy Renewal Date to the next Policy Renewal Date.
