

The medications listed in this formulary are the eligible medications applicable to the Take Home Prescription Medication Supplemental Benefit as described in Section 2(b)(2) of your Accident and Illness policy form, and to any prescription medication for the treatment of an eligible Accident of your Accident Only policy form.

Take Home Prescriptions are defined as: over-the-counter drugs, medications, supplements, remedies, and treatments prescribed by a Veterinarian and administered outside the clinic for an otherwise eligible Condition. Drugs, medications, or treatments administered by a veterinarian in a clinic for treatment of an eligible Condition are part of your underlying coverage and do not require the Take Home Prescription Medication Supplemental Benefit.

This formulary is reviewed quarterly. Please see your policy document and your pet's declaration page for more information.
